AMENDMENT

BY COURIER

The Commissioner of Patents
and Trademarks,
Washington, D.C. 20231,
U.S.A.

Dear Sir:

In response to the Office Action of November 24, 1998, please amend
this application in the following manner:

In the Claims:

Cancel claims 2, 8, and 11 to 20.

Amend claims 1, 3, 5, 5 and 7 as follows:

a¹ 1. (Amended) A macrophage infecting parasite which is a strain of *Leishmania* and which is transformed by a plasmid containing [expressing] a granulocyte macrophage colony stimulating factor (GM-CSF) gene and which parasite expresses GM-CSF.

a² 3. (Amended) The parasite of claim 1 [2] wherein said strain of *Leishmania* is selected from the group consisting of *Leishmania donovani*, *Leishmania braziliensis*, *Leishmania tarentolae*, *Leishmania major*, *Leishmania mexicana*, *Leishmania tropica* and *Leishmania aethiopica*.

a³ 5. (Amended) The parasite of claim 1 [2] wherein said GM-CSF gene is of murine origin.
